

My comments concern the possibility of my favorite radio station K-LOVE being forced off the air due to a new broadcast service-LPFM. K-LOVE is the only christian radio station that is broadcasted in my area. I feel it is important for everyone to be able to choose what they prefer to listen to and if K-LOVE were forced off the air those who prefer this music would be without another choice. There are not enough positive things in this world that truly make a difference, but K-LOVE is one of them. K-LOVE brings good, clean, family-safe music and talk that has a positive effect on me and my family. I financially support K-LOVE each month because I believe in it so much. Many other people in my area listen to and support K-LOVE as well. That should mean something right there that people are willing to give to a radio station that could only exist because of listener support. Please do not let K-LOVE go off the air!
